Hi Phil

Just a quick somewhat belated note to let you know how delighted we were with the marquee.

You were right about the 'wow' factor. Especially as the evening darkened and the lighting took on more effect. Our guests were enthralled and quite a few asked for your contact details.

We all had a wonderful night - its just a shame it all passed so quickly. We had a photographer at the party so if you would like any photos please let me know.

Many thanks again

Sue Scruton
