Dear Phil,

Just to let you know that we had a fabulous time and we just don't know how to say thank you enough for convincing us your marquees had the 'wow' factor. Everyone at the wedding thought they were gorgeous, and no one had ever seen one like them. Your son and his staff were very helpful, polite and efficient. We've already recommended your marquees to someone who was passing by as they were being taken down. Hope they get in touch! Even folk from the village who had nothing to do with the wedding, went along for a peek through the windows and said how lovely and different they were. Jenny and John ran the wedding with a woodland theme, if I can attach a photo I will.

Once again thank you very much, and we would have no hesitation in recommending your marquees to anyone.
