Hi Phil,

I couldn't recommend you enough- you're always so brilliant. Attached are some photos. If you need a recommendation then just let me know.

I'm sorry I wasn't able to take too many photos, so I hope these are OK.

Thanks,

Mel

Dear Melissa

Thank-you for choosing Premier Event Marquees to cover your event - we trust you had a brilliant day!

We strive constantly for excellence and I wondered if you were pleased with the service we offered and if so have any comments or observations about the service we gave and your view of the marquees.

We are in the process of updating the gallery pages on our web site. If you have any images of your event this year that we could use on our site we would love to see them - please just either email them or post them to us on a CD.

Once again thank you for choosing us.

Kind Regards  
Phil de Cobain
