Dear Phil

Our wedding celebration was brilliant and your marquee was absolutely wonderful. The effect that it had was romantic and magical – I am sure you will get more orders as loads of people asked who supplied it. The celebration was for my son and his new wife – they were 'gobsmacked' and thought it was wonderful. Thanks to you and your crew – you helped to make it a very special day.

Photos not sorted yet, however, I am sure there will be some that you can use so will get some to you asap.

Again, many thanks

Sue
