Hi Phil, well where do I start...the marquee was the talk of the dale, we had so many comments about it and people were just so genuinely impressed and amazed with it. I can't believe I ever had any doubts. Our day was truly perfect, we had the most amazing time and the fact that I could celebrate it on the farm where I grew up and make the most of the wonderful views was just icing on the cake. Your team of men that set up and took down were very professional and helpful.

Throughout the day it looked fab and then on the evening with the fairy lights it looked magical, the sofa area was also a big hit. We were so proud of it and lots of people were asking about where we had hired it from. And the toilets...they were the bees knees, my Dad had people congratulating him on the toilets! On a serious note though, thank you so much, we would highly recommend your firm.
