Dear Phil

I have been asked to write to you on behalf of the Pastoral Development Committee to thank you once again for a very impressive marquee for our parish celebrations. The style is perfectly suited to our needs: we have to accommodate three separate functions during the course of the weekend – a family luncheon party, a full-on evening party and a rather more genteel afternoon tea and Benediction on Sunday. It's quite a lot to take on and it's always a relief to know that we can rely on your team to sort out the venue without needing the committee standing over them!

Please pass on our thanks to everyone involved; you really do have a professional team, but, just as importantly, it is always a pleasure to do business with you as you are such a pleasant company to do business with. We will, as always, recommend you whenever possible.

Yours sincerely

Linda Walmsley
