Dear Phil

I have been asked to write to you on behalf of the Social Committee to thank you for the fabulous marquee you supplied for our Parish Party. Many of our guests had not seen such a structure before and it certainly had the 'wow!' factor, from the outside and inside, especially when the lights were switched on just as our performers started to sing to a collective gasp!

We do appreciate all the little extras that you included: the pealights and ivy looked great and the dance floor was fabulous on the night and also provided the perfect altar for our service on Sunday afternoon. The layout was ideal: we did have some concerns about staging the event in September, but the pod design meant that it was certainly warm enough on Saturday night and when the sun came out on Sunday afternoon we were able to unzip the panels to cool down.

Please can you also pass on our thanks to the team who erected the marquee and took it down? Monsignor McKenna was most impressed with the speed and efficiency of the whole operation.

I don't know whether Margaret has been in touch yet, but we have already agreed to have our 2011 party on 3<sup>rd</sup> September: please would you pencil us in for that date? We very much look forward to working with you again.

Many thanks once more to everyone at Premier Event Marquees.

Yours sincerely
