Hi Phil

It was a great day and your staff were too.

I've not come across any photos that would beat the ones you already have but if I do I'll let you have them.

Regarding comments, how's this?

"We chose PE following a recommendation from a caterer who had experience of the company and having reviewed some testimonials which were provided. I have to say the experience was better than we dared hope! They are able to react to last minute adjustments, they arrive early on site with no fuss (which is what you get from professionals), they're helpful and oh, the marquee was wonderful. It's stylish, in good condition and the lighting created a great effect AND it was value for money. There's nowhere else I'd look for a marquee supplier."

Regards

Doug

Dear Doug

Thank you for choosing us to cover your event earlier this year and we hope you had a brilliant day. Any comments you may have on our marquees and the service we provided would be greatly valued.

We are always looking for photographs of events we cover and if you have any photo's of your event that we could use we would very much appreciate it if you could either email them to us or post them on a CD.

Once again thank you for using Premier Event Marquees
